

## LDA Topics

### Topic 1

blockchain network  
transaction fee international conference  
mining pool new block  
**smart contract**  
nash equilibrium  
game theory  
consensus protocol blockchain system

### Topic 2

limited city univ download  
**city univ**  
xplora restriction april utc  
utc xplora  
restriction apply  
download april  
authorize license license limited

### Topic 3

figure show  
show figure smart grid  
international conference  
**smart contract**  
**blockchain technology**  
case study smart city private key  
base blockchain

### Topic 4

blockchain application  
blockchain system information share application blockchain  
chain management international journal social welfare  
**supply chain**  
**blockchain technology**  
adopt blockchain

### Topic 5

springer heidelberg  
Incs vol  
hash function random oracle  
upper bound  
**public key**  
vol springer encryption scheme  
secret key pale ferrugineous
