LDA Topics

Topic 1

platform study
application
research online
blockchain
technology
new digital
business

Topic 2

iley.com
laccophilus
description
ong type large
same nline
faunistics
ibrary

Topic 3

network propose
security node iot
base privacy
datum
blockchain
system

Topic 4

consensus
attack time
reward miner hash
block
transaction
bitcoin
protocol

Topic 5

blockchain technology
technology
supply product
chain cost
blockchain
supply chain
information
consumer

Topic 6

mobile
utility vehicle
task edge
network
resource
computing
service
algorithm

Topic 7

output
protocol follow
scheme
key party
set
security
message
function

Topic 8

power
vol true
transaction
energy
price trading
apply city false

Topic 9

ethereum
smart value
contract
game token
user
player
smart contract
transaction

Topic 10

equilibrium
pool model
power
strategy
value game
miner mining
analysis
